PROFILE

With a sire (Grays Starlight) whose offspring have earned more than \$10.3 million and a dam (Docs Rey Jay) that has produced earners of more than \$310,000, Grays Jay's pedigree combines two of the industry's best pedigrees.

Grays Jay is known for his fabulous disposition and is one of the nicest sons of Grays Starlight. Along with being eye-catching, he has excellent conformation and tremendous athleticism. Although an injury when he was young prevented Grays Jay from performing, he has all of the potential and talent to produce great offspring.

If pedigree and conformation are the backbone of your breeding interests, Grays Jay is a natural choice. His sire, Grays Starlight, had an excellent performance career, as well as producing outstanding performers and ranks among the top 15 of Equi-Stat's All-Time Leading Cutting Sires. His dam was also a strong performer earning money at the 1979 NCHA Futurity and making the finals at the 1981 NCHA Classic/Challenge.

Grays Jay's potential as a breeding sire of top performers is limitless with the great performers, talent and outstanding character and physical traits that this handsome stallion offers.
